Updates

Morning Drop Off Times

Please be mindful that carpool is open from 8:40 – 8:50. Students should be in the building no later than 8:50.

Summer Program

We are excited that we will be offering a free summer program again this summer. Please return the attached form to register your student/s for the summer program.

Read-A-Thon

SRMCS read-a-thon will start February 27 and go through March 10th.

Spirit Week

Swan River Spirit week is March 6 – 10. We hope all our students and families join us in celebrating spirit week. See attached flyer for details.

Parent Satisfaction Survey

Please take a minute to tell us what you like and where we can improve. Click on the link to fill out the survey

Breakfast with the Bunny

Breakfast with the Bunny is one of our largest fund raisers for SRMCS PTO. SRMCS PTO hosts family events such as the Deer Orchard, fall pot luck and the dance. PTO also supports the school by purchasing supplies, funding field trips, etc. Please email our PTO at srpto@swanrivermontessori.org or stop at the office and ask what you can do to help.

Hello Swan River Families,

We hope everyone has had a wonderful year. I know we are very excited about the amount of progress the children have made this year. We have a wonderful opportunity again this year to be able to offer a summer educational program to current students who are enrolled in K through 6th for the 2023 – 2024 school year. This was made possible through a grant that we received due to covid. This is a great opportunity for your child to maintain the progress that he or she has made this year. I hope you will take advantage of this opportunity for your child. This program will be provided at no cost to our families.

The summer program will be held for 4 weeks during the summer. Our summer program will be held from 8:35 – 12:00 on Monday, Tuesday, Wednesday and Thursday of the selected weeks with the exception of the first Monday. This program will include daily instruction in reading, math, practical life skills, and social skills. We are excited to have all of our students join us over the summer.

We will offer class from 8:35 a.m. – 12:00 p.m. on the following days:

Summer program days

June 20, 21, 22

June 26, 27, 28, 29

July 10, 11, 12, 13

July 17, 18, 19, 20

Please respond by March 10th, indicating that,

Yes, my child will be attending the summer educational program. Please note that transportation will not be provided to the summer educational program.

OR

No, my child will not attend the summer educational program

IT'S NOT TOO LATE TO SUPPORT OUR

READ-A-THON

JUST BY READING.

HEY PARENTS,

Support your student as they share the message about our Read-A-Thon. Then encourage them to **READ, READ, READ**. Minutes can be tracked in school or at home.

HOW IT WORKS:

It's Simple.

1. Create your account
2. Share our Read-a-thon with friends and family
3. Track your student's reading

HOW TO CREATE YOUR ACCOUNT:

It will only take a few minutes to complete.

VISIT:

www.read-a-thon.com/readers

Breakfast with the Easter Bunny

Sponsored by:
Swan River Montessori Charter School PTO

**PLEASE JOIN US IN THE MONTICELLO COMMUNITY CENTER
GYM ON SATURDAY, MARCH 25TH, 2023
BREAKFAST WILL BE SERVED FROM 8AM-11:30AM**

Adults \$10, Children (3-12) \$5, Age 2 & under eat free!

All first responders eat free. Bring a non perishable food item to donate to the Help Center for \$1 off ticket price.

**Breakfast menu includes: Waffle bar,
eggs, sausage, fruit, juice, and coffee.**

Activities for the whole family! Raffle items, silent auction, kids games/activities and free photos with the Easter Bunny! (Bring your own camera) All proceeds honor the Swan River Montessori PTO, to fund extracurricular activities and supplies within the school.

'If you truly love nature, you
will find beauty everywhere'
Vincent VanGogh

As you can see, our
Nature Book Nook is
getting more stocked by
the week! Thanks to
everyone that has
donated!!

We are still collecting new or gently read books for any age about the environment and nature. Some topics include:

Plants, animals, space, weather, oceans, biomes, habitats, seasons, geysers, water cycle, animal adaptation, natural resources, planets, phases of the moon, composting, carbon, climate change, migration, reduce, reuse, recycle, food chain, food web, classification, clouds, biodiversity, great lakes, renewable energies, insects, amphibians, rivers, lakes, environmental stewardship, geology, astronomy, phenology, butterflies, trees... really anything that relates to our environment.

Have students bring any book donations to their classroom or bring them to Tasha's office in the gathering space and please don't hesitate to contact anyone from the Environmental Education committee:
