## Updates

### Extended Care/lunch Invoices

All balances were due by May 15<sup>th</sup>. If you have remaining balances please send payment to the office.

### Track and Field Day – May 26<sup>th</sup>

The all school Track and Field day will be held on May 26<sup>th</sup>. Each class will decorate their own t-shirts for the day. A big thank you to our SRMCS PTO for donating t-shirts. If you ordered hot lunch for May 26<sup>th</sup>, it will be a sack lunch so that we can eat outside. Parents will have an opportunity to sign up to volunteer at Track and Field day. You must have a completed background check on file with the office. More information will be posted in the Swan as the date gets closer.

### Graduation – May 31st

Join us on May 31<sup>st</sup> at MCC at 4pm for our Kindergarten and 6<sup>th</sup> grade student graduation. This is a special time for us to recognize the accomplishments of our students.

### All School Ice Cream Social – May 31st

Please join us for our all school ice cream social outside from 4:30 to 5:30 at the SRMCS soccer field. This is a time to celebrate the end of the year with ice cream and friendship.

### No afternoon extended care on June 1st

Students will be released early at 12:20 on June 1<sup>st</sup>. Please make arrangements for your students to be picked up as there is no extended care in the afternoon.

trash nothing!

The EE Committee would like to invite you to join a community upcycling app in support of our ongoing efforts towards environmental education. The Trash Nothing app can be used to post a gently used item that you would like to find a new home for. Items to consider may be kids clothing, outgrown outdoor gear, or sports equipment. Such items typically have a lot of use remaining and are expensive to buy new! On the app- All items are given away for free.

After downloading the app (available via the App Store or the download from the Trash Nothing website) you can get started!

<https://trashnothing.com/beta/>

Have items to give away?

1. Post a Title
2. Include Details-describe size, condition, color, etc.
3. Set Location-Swan River in Monticello

In need of items?

1. Search the app for items by keywords
2. Limit to the local area

This is a great way to keep it local and connect with a family who may be in need of an extra pair of snow pants, play clothes, inside shoes, or books, etc. Or you may find a family who would welcome your children's outgrown items and arrange to give them a bag of clothing they can take home, choose items they can make use of and then repost or send to Goodwill. You can message through the app to arrange an exchange outside of academic hours.

## Reading Corps works for students!

After a single semester of tutoring, the average kindergarten student in Reading Corps **performs twice as well as their peers.**

## Help Minnesota kids learn to read – become a reading tutor!

We know that students who are strong readers by the end of 3rd grade are more likely to be successful learners and graduate high school. In Minnesota, fewer than a third of our 4th graders are proficient in reading. Together, we can help change this!

Reading Corps trains people to make an impact as tutors. Placed at local schools, our tutors provide one-on-one or paired support to help students become better readers. The extra practice results in incredible growth, and your time makes all the difference. Be part of helping more kids excel at reading – become a reading tutor!

## Students who read have the power to succeed.

Reading Corps helps kids become stronger readers by training people just like you to be effective reading tutors. No experience is needed; we provide all the training and ongoing support! Our evidence-based program works and has already helped more than 300,000 students nationwide.

### As a reading tutor you will:

- Serve in a school setting (full-time and part-time options are available)
- Work one-on-one or with pairs of students who need targeted skills practice
- Conduct tutoring sessions that are 20 minutes long (that's an extra 100 minutes of weekly support for students!)
- Track student progress and regularly meet with the school's on-site coach as well as one of our coaching specialists

Most anyone can make a great tutor. The most important qualification is your passion and desire to make a difference. To review minimum qualifications and additional details, visit us online at [Join.ReadingandMath.org](http://Join.ReadingandMath.org).
