## Updates

### Teacher Appreciation week

Teacher appreciation week is May 8<sup>th</sup> – 12<sup>th</sup>. PTO is helping us celebrate all of our teachers and staff. This is a wonderful way to let our staff know how much you appreciate them.

The link below is the PTO Teacher Appreciation link

### Fine Arts Night

Every year I am astonished by the talent of the students at Swan River and this year was no exception. The student's artwork was fabulous as well as the music concert. A special thanks to the students and parents that donated to our bake sale. This fundraiser helps SRMCS provide scholarships to our early childhood program.

### Track and Field Day – May 26<sup>th</sup>

The all school Track and Field day will be held on May 26<sup>th</sup>. Each class will decorate their own t-shirt for the day. A big thank you to our SRMCS PTO for donating t-shirts. If you ordered hot lunch for May 26<sup>th</sup> it will be a sack lunch so that we can eat outside. Parents will have an opportunity to sign up to volunteer at Track and Field day, you must have a completed background check on file with the office. More information will be posted in the Swan as the date gets closer.

### Graduation – May 31st

Join us on May 31<sup>st</sup> at MCC for our Kindergarten and 6<sup>th</sup> grade student graduation. This is a special time for us to recognize the accomplishments of our students.

### All School Ice Cream Social – May 31st

Please join us for our all school ice cream social from 4:30 to 5:30 at SRMCS. This is a time to celebrate the end of the year with ice cream and friendship.

# Put Your Passion in ACTION

## Help every child be a successful learner.

### Become a Tutor at Swan River Montessori Charter School for the 2023-24 school year.

With your help, we can give kids more — more opportunities, more success and more confidence. As a tutor you will:

- Serve in a school setting (full-time and part-time options are available)
- Work with students who need extra practice and support
- Receive benefits like regular stipend, extra money for college or student loans, health insurance and more
- Receive excellent training and support — no teaching experience necessary

"I wake up every morning looking forward to the day, knowing that I'll be contributing. I am preparing the children for Kindergarten and for their years in school after that. I love what I am doing."

- Reading Corps Tutor

"The best part about being a tutor with Math Corps is being witness to the incredible transformation these students make. At the end of the year they all say that they didn't know math could be fun!"
